

APS Support UK Subscription Form

Antiphospholipid syndrome (APS) is a life-threatening, incurable condition. Please join our charity and help us continue our vital work and make a real difference to the lives of everyone living with APS.

The main goals of APS Support UK are to achieve earlier diagnosis and the best possible treatment for patients by:

- **informing** doctors, nurses and GPs about APS
- raising **awareness** in the media and general public
- offering **support and understanding** to anyone affected by the condition
- supporting **research** into APS

When you join you will receive:

- A welcome information pack which provides essential facts about APS
- Informative newsletters throughout the year including recent research developments, relevant legislation and new treatments
- Email updates throughout the year on topics such as new treatment and important research
- Leaflets and flyers to provide you with in-depth information
- Charity merchandise including a pen, wristband and bug
